PRO**

Built-in adjustable nylon belt with a durable plastic buckle is embedded inside the waistband for a secure, low-profile fit.

Side entry pockets with YKK concealed zippers for secure access

Thigh pockets with concealed YKK zippers for additional cargo space

Additional 4-layer reinforced paneling at the back seat ensures longevity and protection during extended seated use in wet or rough terrain.

4-layer durability paneling at the knees in contrast color provides extra protection and abrasion resistance in high-wear areas.

Leg-length side zippers with dual sliders allow easy on/off over boots and offer adjustable ventilation during intense activity.

Self-fabric storm flap inside the bottom leg opening helps block out wind and water for added comfort in extreme weather.
